

2021 SPRING LAKES GOLF CLUB

# LADIES "BOOT CAMP" CLINIC SERIES

Ladies, in 2016 we launched this program as a great way to improve your golf fundamentals and to really learn the professional "tricks" of the game with your friends in a fun environment. These four clinics are designed for golfers of **ALL levels**, our goal is to enhance your overall enjoyment of the game by targeting the specific areas of the game which most of us struggle with. This series will assist you in better understanding how to execute more solid golf shots more consistently all through sound fundamentals thus resulting in lower scores with more consistent club to ball contact.
